

Grace Angel

busybee
studio

- ① Body - On two layers of fabric trace around the body twice and hands and legs twice (use calico) Sew on traced line leaving openings as shown. Sew legs to bottom of body with toes pointing towards the center.
- ② Dress - Cut two - with right sides together sew shoulder seams, under the sleeves and side seams. Clip corners turn right side out, press. Sew a gathering stitch around neck edge and also at each sleeve edge with embroidery thread.
- ③ Patches - Iron scraps of fusible web to the wrong side of fabric scraps. Cut out 4 irregular patches. Peel off paper backing and iron patches to front of dress. Sew patches with buttons on!
- ④ Clothes - Insert body into dress and pull up gathers around the neck and tie. Insert hands into sleeves and pull up gathers and tie.
- ⑤ Face - Make eyes with a black permanent pen. Blush cheeks with powder blusher.
- ⑥ Hair - Wrap yarn around 3 fingers six times + tie in the centre with another piece of yarn. Cut loops and hot glue to angel's head!
- ⑦ Wings - Tie a bunch of about a dozen thin twigs 6½ inches long in the centre with brown string. Hot glue to the back of the angel.
- ⑧ Halo - Wrap thin wire into a 1½ inch circle twice. Glue to the back of angel's head.
